Joshua Doran

Joshua is the last of a long line of siblings, all receiving a Catholic education. He attended St. Thomas before coming to Notre Dame his Freshman year. As a scholar athlete, Joshua was a welcomed edition to the Football team all four years and he joined the the Wrestling team his last two years. He was a familiar face in the Chapel as he often attended Morning Mass and Adoration during lunch as well as assisting Father Paul as an Altar Server. As part of Peer Ministry, he was never shy about his faith and played Jesus for two years in the school's Passion play. He will be attending Riverside Community College in the Fall and will transfer to Cal Poly Pomona to pursue a degree in Chemical Engineering.

Norah Ruvalcaba

Norah attended St. Francis de Sales from Kindergarten to 8th grade before coming to Notre Dame her Freshman year. She has been a tough litigator in the courtroom as she was an integral part of our award-winning Mock Trial team for all 4 years. Some may also recognize her from being a fierce competitor in the pool, as a member of the Water Polo and Swim teams. She is a 4-year scholar athlete, two-time All-League Water Polo player and a CIF finalist and league winning swimmer. On campus, she demonstrated her faith through action which was contagious amongst her peers. She will be attending Occidental College in the Fall as she will pursue a degree in Law.
